Mobilise-D Conference - 20 March 2024

World's largest study of real-world digital mobility outcomes
Join us in celebrating our achievements, sharing lessons learned, and
help shape the future direction of digital mobility assessment

Royal College of Physicians of Edinburgh 08:30 – 17:30
11 Queen St, EH2 1JQ

Introduction	
08:30 – 09:00	**Registration and coffee**
09:00 – 09:20	**Conference Opening and Overview** Lynn Rochester & Daniel Rooks, Mobilise-D Co-Leads
09:20 – 09:30	**Welcome Keynote:** *From Diamond to Mobilise-D: How and Why We're Here* Ronenn Roubenoff, Former Mobilise-D Industry Co-Lead
Theme 1: Real-world Digital Mobility Assessment	
09:30 – 09:45	**Theme 1 Keynote:** *From what we could measure, to what we should measure: changing perspectives in digital measure development* Ieuan Clay, VivoSense
09:45 – 10:30	**Knowledge Gap 1: Can real-world mobility be measured accurately, reliably and is it valid? – everything you need to know!** • *Challenges and solutions for the estimation of technically valid real-world digital mobility outcomes (DMOs)* Andrea Cereatti, Mobilise-D Technical Validation Study Academic Lead • *Future perspectives and legacy of the Technical Validation Study (TVS)* Arne Muller, Mobilise-D Technical Validation Study Industry Co-Lead
10:25 – 10:55	**Morning break in interactive area**
10:55 – 12:30	**Knowledge Gap 2: What do the Digital Mobility Outcomes tell us clinically? Insights from the Clinical Validation Study** • *The Mobilise-D Clinical Validation Study (CVS)* Clemens Becker, Mobilise-D Clinical Validation Study Academic Lead • *The Mobilise-D CVS – A significant data management challenge* Brian Caulfield, Mobilise-D Data Management Academic Lead • *Early insights from the CVS* Judith Garcia-Aymerich, Mobilise-D Statistical Analysis Academic Lead • *Clinical relevance of CVS findings* Walter Maetzler and Alison Yarnall, Parkinson's disease Thierry Troosters and Heleen Demeyer, COPD Basil Sharrack, Multiple Sclerosis Beatrix Vereijken, Hip Fracture
12:30 – 13:10	**Theme 1 Expert Panel discussion** • **Chair:** Claudia Mazzà, Biogen, Former Mobilise-D TVS Academic Lead

	• **Panellists:** Jessilyn Dunn, Duke University; Sallie Lamb, University of Exeter; Alda Marques, University of Aveiro; Paolo Bonato, Harvard Medical School
13:10 – 13:15	**Theme 1 Audience Polling Session**
13:15 – 14:45	**Lunch in interactive area**

Theme 2: Translating Digital Mobility Assessment into wider use

14:45 – 15:00	**Theme 2 Keynote:** *Bringing digital outcome from an idea to a regulatory qualified endpoint: The long and winding road of SV95C in Duchenne* Laurent Servais, University of Oxford
15:00 – 15:30	**Public and Patient Involvement and Engagement** • *How patient input informed Mobilise-D project and studies – key insights and impacts* Alison Keogh, Mobilise-D PPIE Lead • *The patient's perspective* Tova Gur Arieh, Public and Patient Advisory Group Member
15:30 – 16:00	**Regulatory Path & Clinical Implementation** • *The Mobilise-D regulatory journey: key achievements and lessons learnt* Wim Dartee, Mobilise-D Regulatory Industry Co-Lead • *The certification of software as a medical device: valuing a Mobilise-D asset* Giorgio Davico, Mobilise-D Regulatory Academic Representative • *Clinical implementation manual overview* Anja Hoffman, Mobilise-D Clinical Trial Expert
16:00 – 16:30	**Afternoon break in interactive area**
16:30 – 17:10	**Theme 2 Expert Panel discussion** • **Chair:** Camille Carroll, University of Newcastle • **Panellists:** Diane Stephenson, Critical Path Institute; Dalia Dawoud, National Institute for Health and Care Excellence; Ger Quinn, ICON; Lis Boulton, Age UK; Pippa Powell, European Lung Foundation; Keith Park, MS Society; David Dexter, Parkinson's UK
17:10 – 17:15	**Theme 2 Audience Polling Session**
17:15 – 17:30	**Summary and Legacy** Lynn Rochester & Daniel Rooks, Mobilise-D Co-Leads

The conference is followed by an evening networking event
The National Gallery 19:00 – 22:30
Main Entrance (via East Princes Street Gardens), The Mound, EH2 2EL

19:00 – 19:30	Arrival drinks and canapés
19:30 – 20:30	Short art expert talk followed by a private viewing of the Scottish Collection
20:00 – 22:30	Scottish tasting stations and bowl food dinner
